

CERTIFICATE OF COMPLIANCE

Certificate Number 20150821-E170350
Report Reference E170350-20120921
Issue Date 2015-August-21

Issued to: LENZE AC TECH CORP
630 DOUGLAS ST, UXBRIDGE MA 01569

This is to certify that representative samples of COMPONENT - POWER CONVERSION EQUIPMENT
See Addendum Page

Have been investigated by UL in accordance with the Standard(s) indicated on this Certificate.

Standard(s) for Safety: UL 508C, Standard for Power Conversion Equipment
CSA C222. NO. 14, Standard for Industrial Control Equipment

Additional Information: See the UL Online Certifications Directory at www.ul.com/database for additional information

Only those products bearing the UL Certification Mark should be considered as being covered by UL's Certification and Follow-Up Service.

Recognized components are incomplete in certain constructional features or restricted in performance capabilities and are intended for use as components of complete equipment submitted for investigation rather than for direct separate installation in the field. The final acceptance of the component is dependent upon its installation and use in complete equipment submitted to UL LLC.

Look for the UL Certification Mark on the product.

Bruce Mahrenholz, Assistant Chief Engineer, Global Inspection and Field Services
